Completeness

Hein-Werner PUSH and PULL and PUSHMASTER more shop advantages for faster, more

Hein-Werner PUSH and PULL Hydraulic Jacks are powerful, yet light in weight. Easy to carry — quick to set up. Provide full remote control for greater safety. Turn release valve to the right for instant *push*; to the left for instant *pull* — both with the same ram!

J-4 "BUSYBODY" PUSH AND PULL JACK

4 tons of concentrated power for direct push; 2 tons for direct pull. Closed height 10 inches. Ram travel 5 inches. Ram weight 5 3/4 lbs. Net weight 18 lbs. Hose length 6 ft.

Net price: **\$65.75**

C-4 PUSH AND PULL JacKit

The C-4 complete body shop JacKit includes J-4 PUSH and PULL Jack, A-4 set of 26 all purpose attachments and assemblies, and sturdy B-4 enameled carrying case. Everything needed is within easy reach. Attachments and assemblies are designed to do 90% of all normal body and fender repair.

Net price: **\$145.00**

C-5 PUSH AND PULL JacKit

The C-5 JacKit includes the J-4 PUSH and PULL Jack and A-4 set of 26 attachments and assemblies along with the B-10 Open Shelf Steel Stand. (As illustrated at right with C-1 PUSH-MASTER JacKit). This alternate set is ideal for those who prefer to use their "Busybody" Jack with a stand.

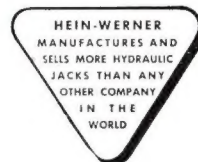

Net price: **\$169.75**

A-4 PUSH AND PULL ATTACHMENTS

The "Busybody" A-4 set of attachments come to you carton packed and assembled. These 26 attachments are a part of both the C-4 and the C-5 JacKits, or they may be purchased separately. Designed for 4 ton service, yet light in weight and convenient to use. Castings are of pressure tested malleable iron, extension tubes of cold drawn steel tubing and chains are of high test, treated alloy steel.

Net price: **\$69.00**

of Choice...

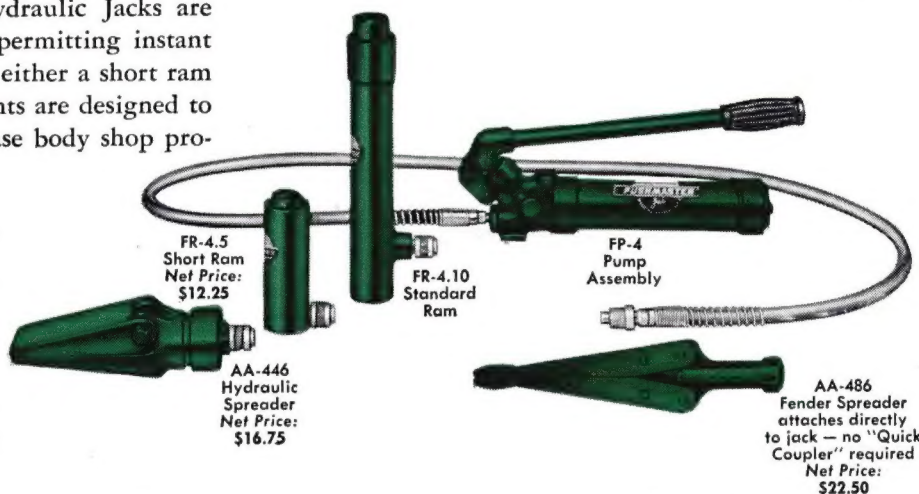

HYDRAULIC JACKS and JacKits offer profitable body, fender and frame repair work

Hein-Werner PUSHMASTER Hydraulic Jacks are equipped with a "Quick Coupler" permitting instant changing from conventional ram to either a short ram or hydraulic spreader. All attachments are designed to save valuable set-up time and increase body shop production.

F-4 PUSHMASTER JACK

Packs full 4-ton pushing power to easily perform all body, fender and light frame jobs. Ram retracts automatically when released. Closed height 10 inches. Ram travel 5 inches. Ram weight 4 lbs. Net weight 10 lbs. Hose length 6 ft.

Net price including "Quick Coupler":
\$51.00

C-1 PUSHMASTER JacKit

The C-1 complete body shop JacKit includes the popular F-4 PUSHMASTER Hydraulic Jack, A-1 set of 24 attachments and B-10 Open Shelf Steel Stand. All attachments are right in full view and within quick, easy reach.

Net price: **\$142.50**

C-2 PUSHMASTER JacKit

The C-2 JacKit, like the C-1, includes the 4 ton F-4 PUSHMASTER Jack and complete A-1 set of 24 attachments, but with the B-4 Metal Chest. This sturdy, damage resistant white enamel steel chest is 21 inches long, 9 inches wide and 13 inches high. Cover is hinged.

Net price: **\$117.00**

C-3 PUSHMASTER JacKit

The C-3 JacKit is a Starter Set, including the F-4 PUSHMASTER Jack, B-4 Metal Chest and A-2 set of 15 carefully selected attachments. Contains a minimum number of pieces that will be in everyday use in the body shop. Net price: **\$80.50**

C-6 PUSHMASTER JacKit

The C-6 JacKit consists of the F-4 PUSHMASTER Jack and A-2 Starter Set of 15 attachments packed in heavy fibre cartons only. An economy package to get started making extra profits. Additional attachments can be purchased as needed. Net price: **\$67.50**
